D.O.No. F.27-11/2017-EE.16

13th December, 2017

Dear *Sir / Ma'am,*

Please refer to this Department's communication of even no. dated 11.09.2017, 26.10.2017, 27.11.2017 and 29.11.2017 regarding Swachh Vidyalaya Puraskar (SVP), 2017-18.

2. As per revised timelines of SVP, 2017-18, issued vide letter of even no. dated 29.11.2017, the last date for Selection for awards at the District Level and Submission of the results to the States/UT Level has been extended till 31.12.2017. This was necessitated due to slow progress as per the timeline and also requests from various quarters for extension of time.

3. However, a glance at the progress of the activity on the national dashboard indicates that there has been very little progress in the evaluation activity for district level awards since then. As on 7.12.2017, out of 422119 schools, survey has been completed only in the case of 19403 schools, that is only less than 5% of the schools have been verified. Only 23 States/UTs have initiated the activity and the remaining States/UTs have not even started the process. It has also been learnt that in some cases, the information has not been passed on to concerned nodal officers for starting the process. In view of the coming holidays and New Year eve, some days are likely to be lost out of the remaining three weeks to complete the process. It will be appreciated that the process has to be accelerated significantly at the district level lest the entire time line for the SVP process will get affected.

3. In view of the above, your personal intervention is solicited to accelerate the process to ensure the completion of the process by 31.12.2017. I shall be grateful for a line in confirmation of the action taken.

4. This may kindly be accorded top priority.

With Regards,

Yours sincerely,

Maneesh
